**W**e listened to Jesus's parable of the sower and then planted sunflower seeds. It's not very hot or sunny where we live, so we were excited when the seeds pushed through the soil. The plants got taller and taller until they bloomed, just like the seeds in Jesus's story!

Someone showed me a bad video. That night I couldn't get the video out of my head.

I talked to my mom, and she told me to say a prayer to ask for help to forget it. Soon, I was able to fall asleep and not think of the video again. I am thankful I can talk to my Heavenly Father whenever I need help.

I lost my brother's jacket when my family went on a walk. We prayed that Heavenly Father would help us find it. We felt that we should take the same walk again. We found his jacket! This helped me realize that everything in my life is important to Heavenly Father and He is always ready to help me.
