

What are you doing in here all alone?

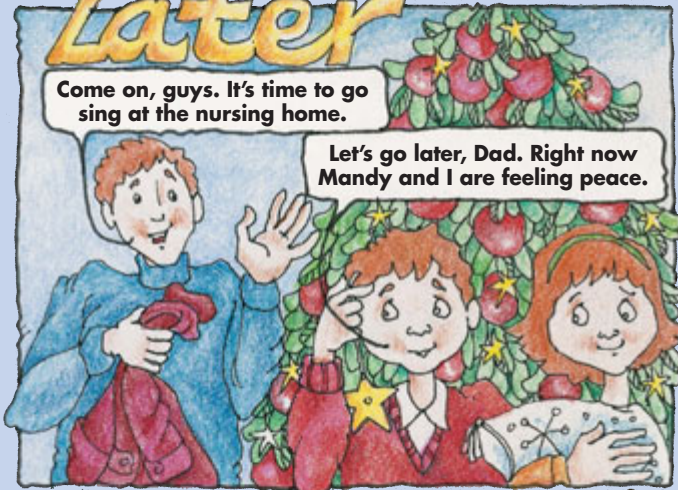

I'm feeling.

Feeling what?

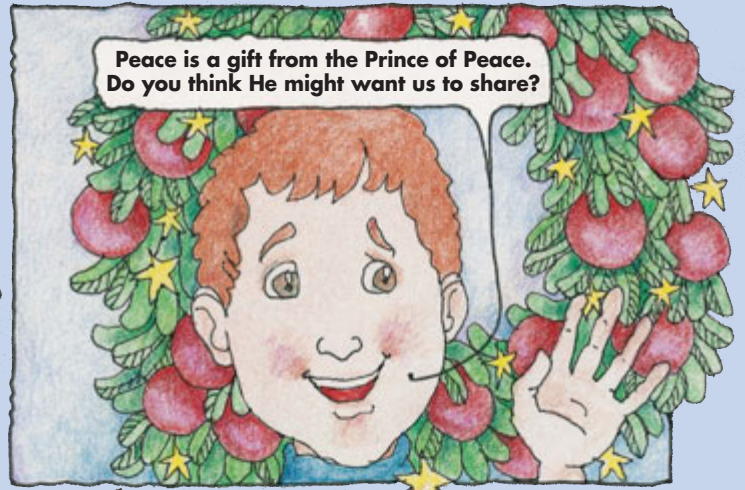

Peace.

*Later*

Come on, guys. It's time to go sing at the nursing home.

Let's go later, Dad. Right now Mandy and I are feeling peace.

Peace is a gift from the Prince of Peace. Do you think He might want us to share?

*At the nursing home*

I felt such peace when you dear children were singing.

We hoped you would.
