

Christmas Party

- Who looks like they're learning how to wrap presents for the first time? Who do you think has already had some practice?
- Which crafts do you think will take the longest to make? If you were there, what would you do to make your own crafts extra special?
- What things in this party remind you of Jesus's birth? How do you keep Jesus in your heart at Christmas?

How many bows can you find?

And how many stars?
