

Quest Complete!

We hope you had fun exploring your family history this year. For your last quest, write down a favorite family recipe and add it to your family history box or folder. If the family recipe came from an ancestor, add it to their profile on FamilySearch.org.

Once you've finished your last quest, it's time to celebrate! Cut out the certificate below and glue it to the back of your badge keeper. You could use it as a bookmark in your scriptures, or put it in your journal and write about what you learned this year.

CONGRATULATIONS!

You've completed the
Friend Family History Quests.

Now it's **YOUR** turn to create quests to
keep learning about your family history.

Favorite Quest

My favorite challenge was learning how to index!

I liked making the family timeline.

The wrong stamp appeared in the August issue. Go to FriendFHQ.Ids.org to print the corrected page and stamp.
