

# Show and tell

On our way driving home from a swim meet, it was dark and snowing. My mom was worried and asked us to pray. I remembered how Jesus taught us to pray when we need help. So I bowed my head and closed my eyes to pray to get home safely. After I prayed and opened my eyes, I felt a warm feeling in my heart. Then I heard a still, small voice whisper, "Everything will be all right."

### **I'm Always in God's Sight**

The skies are blue.  
The snow is white.  
And everything I do  
Is in God's sight.  
No matter what others say  
During this lovely day,  
God knows everything I think and do,  
So I'll do my best to be true.
