

Layla Makes Good Choices

Layla

likes making good choices! In the morning,

Layla

helps

Daddy

put

bowls

on the

table

for breakfast. In the afternoon,

Layla

plays

quietly while

Mommy

rocks the

baby

. In the evening,

Layla

puts on her

pajamas

when

Daddy

asks. Good choices make

Layla

and

Mommy

and

Daddy

happy! When we make good choices, we are following

Jesus

See *Come, Follow Me* for 2 Nephi 1-5.

I Can Make Good Choices

Heavenly Father is happy when we choose the right!
Point to the good choices.
