

Following Paw Prints

By Jennifer Maddy

Derek

saw

paw prints

in the

snow

. What animal made them?

Derek

followed the

paw prints

down the

sidewalk

. He looked around and saw

Mrs. Lawson

walking

slowly across the

ice

held her

hand

and helped her into her

house

. The

paw prints

kept going, and

Derek

followed them. He spotted

Mr. Russell

shoveling

snow

stopped

Derek

to help him

shovel

. Then

Derek

saw more

paw prints

! He followed

them and peeked into

Mr. Russell

's backyard. There was Cloudy,

Mr. Russell

's

cat

!

Derek

likes following things. Most of all, he

likes following the example of
