## FAMILY HISTORY CORNER

Find a photo of you or your family that you can tell a story about. Write down or tell someone everything you remember about that day!

## SECRET SERVICE

- Leave a nice note for someone.
- Make a family member's bed for them in the morning.
- Smile at three people today as you walk by.

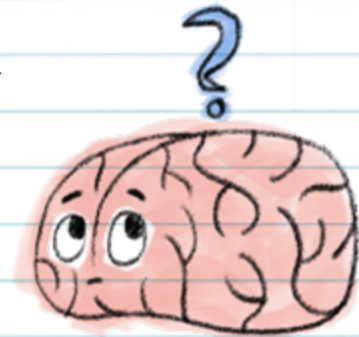

## A LOOK INSIDE THE TEMPLE

Each temple baptism font rests on the backs of twelve oxen. They stand for the twelve tribes of Israel and remind us that the Lord wants to gather all people into His Church.

Unscramble the letters to find out which temple this font is in. See answer on page 39.

## SHARING WITH A FRIEND

When I was in second grade, a girl kept saying the Lord's name in vain. I asked her to stop, and she did. Later in the school year, I gave her a Book of Mormon. The next day she said that she and her mom had been reading it and she liked it. I am glad I could share the gospel.
