

# Talking to My Heavenly Father

By Jordan Monson Wright

I don't talk  
to Him on a  
telephone . . .

Or on a computer  
screen.

I simply say a prayer  
and know that I am  
heard and seen.

He cares about my  
life on Earth.

He guides me  
from above.

And when I talk to Him  
in prayer, I always feel  
His love.
