

Talking to Heavenly Father

When we pray, we are talking to Heavenly Father.
How do we act during a prayer? Point to the right answer.
Then practice the next time you pray!

When we pray,
what do we think
about?

When we pray,
what do we do
with our eyes?

When we pray,
what words do
we use?

Please bless...

Give me...

When we pray,
what do we do
with our bodies?

Can you think of
a scripture story
about prayer?
