

How come we have to work on weekends? Spencer gets to play video games all day.

And Sherri just hangs out with her friends.

Do the video games produce food to eat?

Do Sherri's friends teach her how to work?

Wait! Don't tell me! I already know the next one: Do video games and playing with dolls bring families closer together?

Good question!

When we ask questions, why do we get questions back instead of answers?

Why do you think?
