Lots of kids in the Dominican Republic like playing baseball. It’s the country’s most popular sport.
The children in the Primary program enjoyed sharing their testimonies. For instance, Ian in the story on page 14.

Last year the prophet visited the Dominican Republic and spoke to the people in Spanish.

MEET SOME FRIENDS FROM THE DOMINICAN REPUBLIC!

Ambar O., age 11, Dominican Republic

I like to help the younger children in Primary when they get noisy. I write the songs on pieces of paper and help them sing. I help them understand when we read scriptures.

Ian R., age 8, Dominican Republic

I love Jesus, and I feel very close to Him. I also love the hymns and Primary songs.

Thanks for exploring the Dominican Republic with us. Now we’re off to Cambodia!
