Choose a grandparent you want to learn more about. Look up the year they were born and find out what world events or inventions happened that year. How was life different back then?

### A LOOK INSIDE THE TEMPLE

Some temples have beautiful staircases. They can help us remember that we are here to grow and become closer to Heavenly Father, one step at a time.

Circle every third letter to find out where this temple is located. The first two are done for you. See page 39.

### SCRIPTURE POWER

Nephi is one of my heroes. He was brave enough to go and get the plates from Laban. He was also obedient to the Lord in building a ship. He trusted the Lord would help him, even though he had never built a ship before. When his brothers were mean to him, he forgave them. I hope to “go and do” whatever the Lord asks me to do, just like Nephi.
