

# MY FAMILY

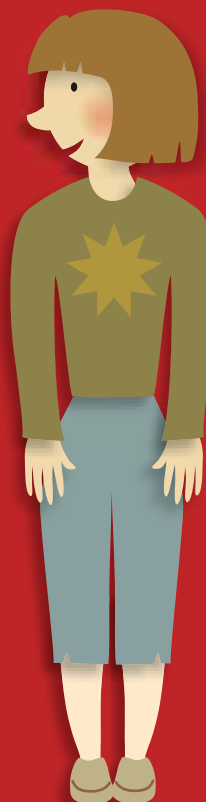

Mount these pages on heavy paper. Color and cut out the family members and the house. Make copies of the pages if you need more figures. Write the names of your family members on the figures and place them in the house. Ask each person in your family to tell you something special about himself or herself, or ask other family members for suggestions. If some of your loved ones live far away, you could send them a letter or an e-mail or call them. Tell your family you love them.
