

# MY CHURCH

**By Karen A. Kimball**

I go to church  
To worship there.  
I always treat  
My church with care—  
Pick up my papers,  
Clear my trash,  
Fold up my chair  
And put it back.

Songbooks, scriptures,  
Pictures too:  
I'm careful with  
The things I use.  
For when I treat  
My church with care,  
I can feel the  
Spirit there.
