KUDODA

You have to be fast to keep up with *Kudoda*! Children in Zimbabwe sometimes play this game with pebbles and a hole scooped in the ground. You can also play it with marbles and a bowl.

How to play:

1. Fill a bowl with about 20 marbles, and sit in a circle around the bowl.
2. Toss a marble into the air. Grab marbles one at a time from the bowl before catching the marble you tossed.
3. Take turns seeing how many marbles you can get in a toss. The game ends when all the marbles are out of the bowl or the bowl spills.

We made this mosaic of the Conference Center and the Mormon Tabernacle Choir on a window as we watched general conference. It was fun!
