CHECK THE KITTENS!
By Melissa Francisco
(Based on a true story)

Go check the kittens.
You can play with the kittens tomorrow.
This light will keep the kittens warm tonight. It's bedtime for everyone!

Go check the kittens.

Where did that thought come from?
Go check the kittens!

Oh no!

Daddy, the kittens’ box almost caught on fire!

How did you know to check on the kittens?

I kept having a thought, kind of like a voice.

I think it was the Holy Ghost.

I think you’re right. I’m glad you listened.

Me too! I’m glad the Holy Ghost helped us.
