

By President Thomas S. Monson

Book of Mormon POWER

If YOU are not reading the BOOK OF MORMON each day, PLEASE do so.

President Thomas S. Monson

I speak about the power of the Book of Mormon and the **critical** need we have to study, ponder, and apply its teachings in our lives. very important

What will protect us from the sin and evil in the world today? A strong testimony of Jesus Christ and His gospel will help see us through to safety.

A Challenge and a Promise

I **implore** all of us to prayerfully study and ponder the Book of Mormon each day. As we do, we will be able to

call on or ask

- Hear the voice of the Spirit,
- Resist temptation,
- Overcome doubt and fear,
- And receive Heaven's help in our lives.

I so testify with all my heart.
