

## birthday quiz

BY SHERRY TIMBERMAN

You just received three presents for your birthday. One is a watch, one is a book, and one is a kitten. Using the clues, see if you can draw a line from each gift to its correct package.

1. The present in the middle isn't alive.
2. The first gift doesn't tell time.
3. The last two gifts have numbers.
4. The first two gifts make noises.
