## Old Friends

Thank you for the *Friend*. I like to read on my bed with a stack of five or six different magazines! I even like to reread old magazines.

## Dear Friends,

This year our mailbox has been very full! That's because thousands of you have sent us your helping hands. We've loved looking at each one. You've inspired us with your many acts of love and service—from helping your family, to stuffing teddy bears for children in the hospital. Turn to page 24 to see some of your special “helping hands” stories.

We love you!

The *Friend*

Was there a letter or a story in this month's issue that helped you? Tell us about it. Turn to page 48 to find out how.

## Honest Gabe

I have to say that the one story out of all of the *Friend* magazines that truly impacted me is “Honest Gabe” (May 2015). It says, “When she was young, she decided she would never tell a lie so that others would always believe her.” After I read that, I thought about all the times I had ever lied. I realized that my friends trust me, but I'm not always honest. My new goal is to never lie again, and I intend to stick to it!

## How We Use the *Friend*

For our Primary activity, we read President Dieter F. Uchtdorf's message “You Are the Savior's Hands” (Jan. 2015). We had so much fun as we learned more about our Savior's love for us and how we can share His love by being His hands and serving others! Thank you for encouraging us to be our Savior's hands!

## Puppet Friends

Our favourite family home evening lessons are when we learn scripture stories with puppets from the *Friend*. We like learning about Jesus.
