

# KINDNESS KITS

By Maryssa Dennis  
(Based on a true story)

The author lives in Utah, USA.

Church was great, wasn't it?

Now what should we do?

We could write letters to Grandpa or visit Sister Gomez. Or is there someone else we could help?

On the way to church, I saw people who looked like they didn't have homes.

Can we give something to them?

Good idea!

I'll find a list of donations the homeless shelter suggests. Let's see what we have at home.

Thanks to Cayden and Ammon G. for sharing their story with us.

And sharing their great example!
