TIPS TO GROW ON

Take a few minutes each day to calm your mind. Close your eyes and focus on feeling your breath going in and out 10 times.

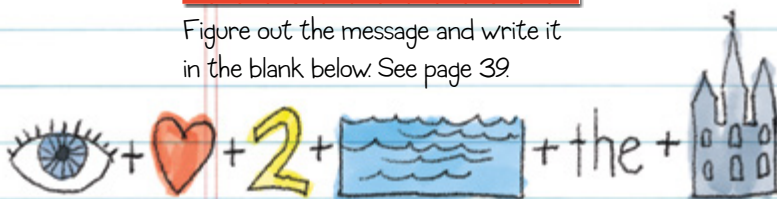

GOD'S AMAZING WORLD

Did you know?

- Dolphins call each other by name using special whistles.
- Bears can smell food from miles away.
- Crows can use tools, solve puzzles, and play pranks.

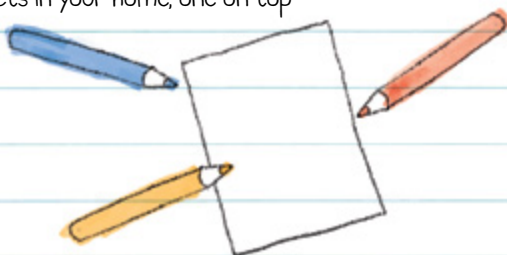

TEMPLE MESSAGE

Figure out the message and write it in the blank below. See page 39.

ART CHALLENGE

Make a piece of art by tracing around different objects in your home, one on top of another:

SCRIPTURE POWER

One day at church, we learned about the importance of scriptures. My teacher told how she hangs scripture verses on her door so she can always see them. I wanted to do the same thing! Soon my door was covered with scriptures that I could see and read every day. I am very glad that the scriptures help me connect with and get closer to my Father in Heaven.
