

Special Day

Today is your special day.
 You put your white dress on.
 You feel the water go through your hair.
 And the Holy Ghost is there.

Genesis

The first light, the first dark,
 The first hoot, the first coo,
 The first roar, the first meow,
 The beginning of beginnings,
 And the start of the world.

Prayer

First I kneel, then I pray;
 This is what I do each day.
 I pray at meals and when in need.
 The Lord answers my prayers, indeed.
 I pray in the morning, day, and night;
 I pray for help to choose the right.

Up on a Cloud

Up on a cloud I sit in the sun,
 Dreaming a wonderful dream
 Of dancing and singing and instrument playing
 With sound so bold and supreme.

A choir sung melodious hymns
 While smiling to the crowd.
 The conductor waved his arms in a beat
 To make a joyful sound.

The dancers leaped and stepped with grace
 As they spun around on the floor.
 Their clothes were white and their eyes were
 bright
 With shining smiles galore.

An orchestra played their instruments
 And hit each note and key.
 Their wonderful sound touched each heart
 And every spirit beautifully.

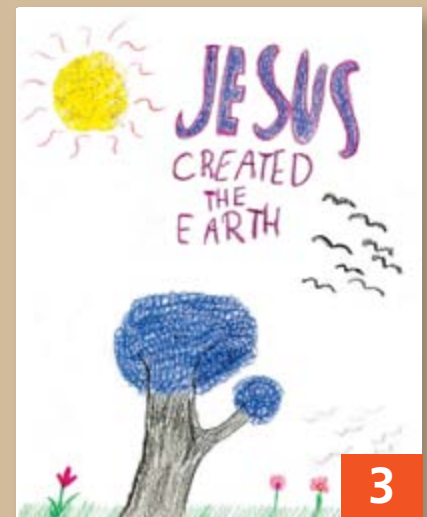

As the days passed on more people came
 To see this wonderful sight
 Of lovely creations with beautiful flare
 And everlasting light.

This is the greatest dream of all,
 To see hearts glow and gleam.
 Up on a cloud I sit in the sun,
 Dreaming a wonderful dream.
