

Temple Time!

The work we do in temples blesses our ancestors and the families of other people. Temples and family history go hand in hand!

Glue the picture below to heavy paper. Cut along the white lines to make a puzzle. You can print more temple pictures at temples.lds.org.

Don't forget to cut out your badge and add it to the badge keeper from January! Print past pages, or extra copies of this page, at FriendFHQ.lds.org.

WHAT TEMPLES ARE IN YOUR FAMILY TREE?

Do you have any family members or ancestors who were married in a temple? This month, look through your family tree on FamilySearch.org and find as many temples as you can in your family history!
