

Be a MISSIONARY Now

You don't have to travel to a different country, dress in church clothes, or wear a name tag to be a missionary. One of the best ways to be a great missionary is to be a good example and a good friend. Here are some other things you can do to be a missionary.

Share a copy of the *Friend*.

Share with a friend what you are doing to find out your family history.

Ask a friend to come to a Primary program.

Share your favorite scripture story.

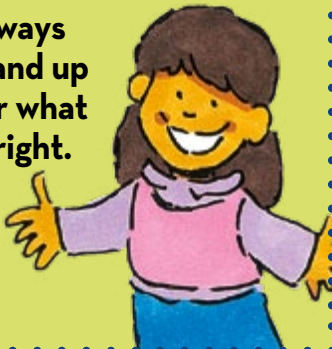

Tell a friend about an answer you received to a prayer.

Invite a friend who doesn't go to church to a Primary activity.

Always stand up for what is right.

Invite a friend to a family home evening.

Give a pass-along card.

Invite a friend's family to a ward picnic, Christmas party, or other event.
