

# Elder Stevenson Visits Chile

The Apostles travel around the world to minister to people and teach them about Jesus Christ.

Elder Gary E. Stevenson and his wife, Sister Lesa Stevenson, traveled to Chile with President Russell M. Nelson and his wife, Sister Wendy Nelson, for a very important event. A new temple was being dedicated in the city of Concepción!

This beautiful new temple is the second one in Chile and the 18th temple in South America.

Children came with their parents to hear President Nelson give a special prayer to dedicate the temple.

Laura and Alicia O. helped put the last stone in the outside of the temple. This is called the cornerstone of the temple. Then the temple was ready to be dedicated.

Many earthquakes happen in Chile. The Concepción Chile Temple has a special foundation to help keep it from being damaged if an earthquake hits.

Today just felt absolutely heavenly.

Worthy members of The Church of Jesus Christ of Latter-day Saints are now able to go inside to do temple baptisms and be sealed to their families!

# I LOVE TO SEE THE TEMPLE

By Janice Kapp Perry

1

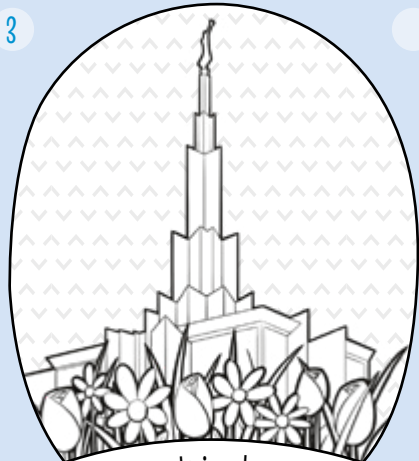

I love to see the temple.  
I'm going there someday

2

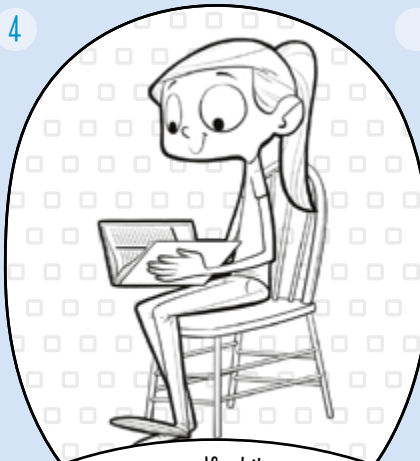

To feel the Holy Spirit,  
To listen and to pray.

3

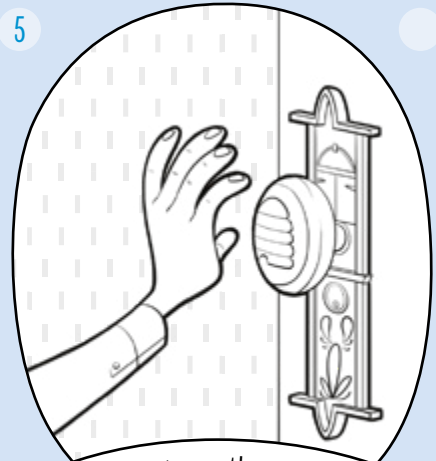

For the temple is a house of God,  
A place of love and beauty.

4

I'll prepare myself while I am young;  
This is my sacred duty.

5

I love to see the temple.  
I'll go inside someday.

6

I'll covenant with my Father;  
I'll promise to obey.

7

For the temple is a holy place  
Where we are sealed together.

8

As a child of God, I've learned  
this truth: A family is forever.
