

MY GENERAL CONFERENCE NOTEBOOK

Listening to Our Leaders

Color the picture of
the prophet while he
speaks, and draw two
other speakers you
listen to.

Following Jesus

Each time you hear someone talk about
Jesus, color a pair of footprints until you
reach the Savior. He loves you!

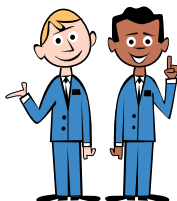

Did you watch the general women's session?

Find pictures of the women who help lead the Church on page 17!

Words I Hear

Circle these pictures when someone speaks about them, or draw other words you hear.

Beautiful Music

Trace these music notes while listening to the choirs sing. Then color them!
