

# THE WINNING CHOICE

By Eliza Broadbent  
(Based on a true story)

LATER THAT WEEK ...

Your coach just sent over the schedule for the meet.

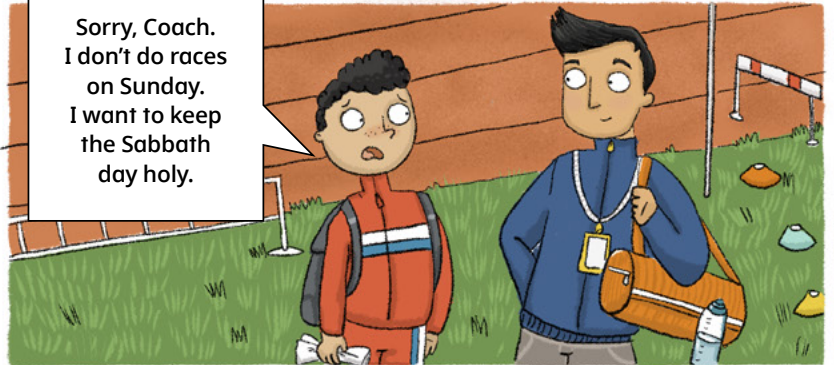

Oh no ... the meet is on Sunday!

Should I go? What if this is my only chance? I might not make it again next year.

Sorry, Coach. I don't do races on Sunday. I want to keep the Sabbath day holy.

I'm glad I put Christ first. I know I made the right choice.
