

Hopscotch with Friends

By Jennifer Maddy

Daya likes to play hopscotch with her friends.

Siya and Ishika only have one stone to play with.

Daya has an idea!

She finds two stones in the grass.

Now they can all play together.

Daya is glad she can help her friends be happy!

Kind to Others

What are some ways you can show kindness to these people?
How have they shown kindness to you?

Mom

Dad
