Families: A Celestial Pattern

"Families are not just meant to make things run more smoothly here on earth and to be cast off when we get to heaven. Rather, they are the *order* of heaven. They are an echo of a celestial pattern and an emulation of God's eternal family."

President Dieter F. Uchtdorf, Second Counselor in the First Presidency, "In Praise of Those Who Save," *Liahona or Ensign*, May 2016, 77.
