

Hi, I'm Erika from El Salvador

The Relief Society sisters in my branch asked if I could learn to index names using the FamilySearch program. I wanted to help. My mother also wanted me to help, so we began learning how to index together.

When I first started, it took me a whole day to index nine names. But now after working hard and practicing, I can index 300 names in a day.

After finishing my homework, I spend time indexing names. For me, indexing is as fun as playing or watching TV. But I know that it has a greater purpose.

My name is Erika Z., and I live in the city of San Salvador in El Salvador, and I love to prepare names for temple ordinances.

I know that Heavenly Father blessed me with the opportunity to help prepare names for temple ordinances for more than 2,000 Salvadorian ancestors in the spirit world.
