I PRAYED TO KNOW WHAT TO DO

When I was in third grade, we were having a party to celebrate the end of the year. Everyone was throwing water, screaming, and saying bad words. I felt uncomfortable in the situation, so I said a prayer and the Holy Ghost helped me feel better and know what to do. I stepped away from everyone and went into another room. I felt safe and had a warm feeling inside.

The Book of Mormon is true. It is the word of God. I like to read it because it tells the stories and teachings of the prophets.

I like the story of Noah's ark in the Bible, and I like to draw, paint, play, and spend time with my family. This is my drawing of the Kirtland Temple.
