

# My General Conference Notebook

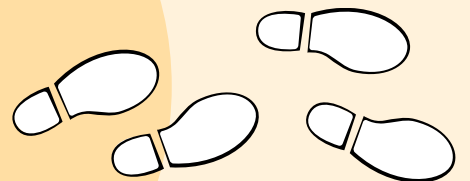

## Listening to My Leaders

Color the picture of the prophet while he speaks, and draw two other speakers you listen to.

## Following Jesus

Each time you hear someone talk about Jesus, color a pair of footprints until you reach the Savior. He loves you!

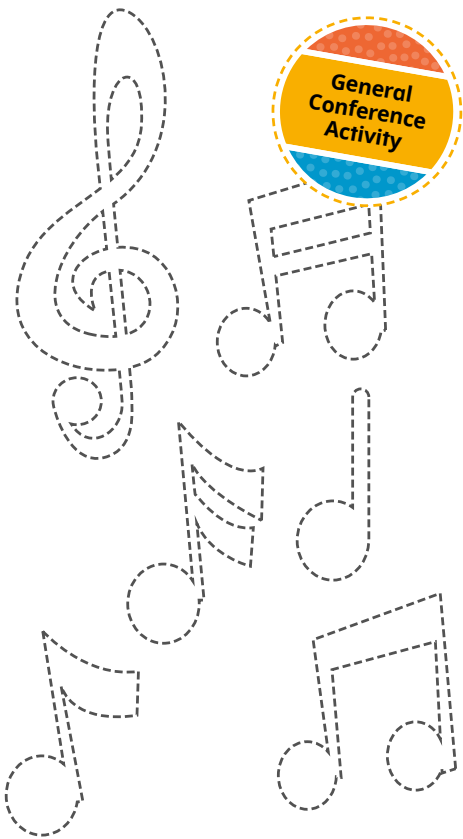

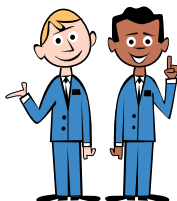

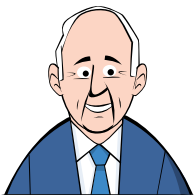

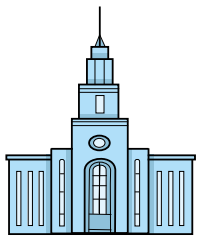

Did you watch the general women's session?

Find pictures of the women who help lead the Church on page F11 of this month's *Friend*!

## Words I Hear

Circle these pictures when someone speaks about them, or draw other words you hear.

## Beautiful Music

Trace these music notes while listening to the choirs sing. Then color them!
