King Benjamin

"When ye are in the service of your fellow beings ye are only in the **service of your God**" (Mosiah 2:17).

About 124 years before Christ's birth. King Benjamin told his people that the **mother of Christ would be named Mary** (see Mosiah 3:8).

He was **extremely humble** and worked alongside his people and always tried to serve them.

So many people **came to hear him teach** that he used a tower so more of them could hear.

As king, he led the Nephites through a great war against the Lamanites and **established peace among his people.**
