

Marriage and Family

You'll be studying about marriage and family in your Sunday classes this month. As you study and discuss this topic, you may ponder these questions: What is the role of the family in the plan of salvation? What can I do now to help make sure my future family will be an eternal family?

For more on this topic, read "The Family: A Proclamation to the World." You'll also find teachings on marriage and family in April 2015 general conference talks at conference.lds.org.
