## DANCE? OF NOT TO DANCE? Written by Natasha Andersen • Illustrated by Bethany Standiffe

I'm excited for the dance, but For the Strength of Youth says that agency is the ability to choose and act for yourself. What if I just don't feel like dancing with someone? Don't I get to choose whether to say yes or no?

Youre right. Its your choice. We understand not everyone will always feel comfortable dancing, but they still want to come.

Thanks for letting us know how you feel.

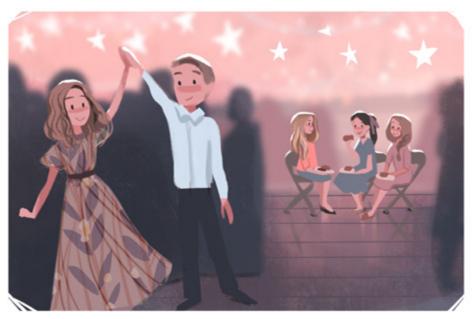

"Heavenly Father has given you agency. the ability to ... act for yourself."
