

# Amulek and Alma

They were **powerful missionary** companions who taught the gospel to many people.

God gave them power so they **couldn't be killed** or kept in prison.

Amulek was converted after an angel told him to **receive a prophet** (Alma) into his house.

Alma compared **faith in God's word** to planting a seed that will grow as we nourish it.

Alma had a **mighty change of heart** after being visited by an angel of God. (See Alma 8–16, 31–36.)
