RESOURCES FOR WARDS AND STAKES

WHAT IS THE ROLE OF WARDS AND STAKES DURING THE EASTER SEASON?

As you celebrate Easter in your local areas, consider the words of Elder Stevenson last April: “How do we model the teaching and celebration of the Resurrection of Jesus Christ, the Easter story, with the same balance, fulness, and rich religious tradition of the birth of Jesus Christ, the Christmas story?” (Elder Gary E. Stevenson, April 2023 general conference) Stakes and wards play a crucial role in supporting members and friends as they strive to elevate their Easter observance. They can do so through planning activities like Easter-themed gatherings, musical programs, service projects, and more.

WHAT EASTER RESOURCES ARE AVAILABLE TO WARDS AND STAKES?

Easter invitation templates for wards and stakes have been designed for use in your print and social media efforts. These templates may be used to invite friends, family, and neighbors to join you in celebrating the Savior’s life, death, and Resurrection during the Easter season. The templates are available to be downloaded and edited with your event details using any PDF reader. If you do not have a PDF reader, you can edit the templates using an internet browser, such as Google Chrome.

WHAT IF AN ACTIVITY REQUIRES CUSTOMIZATION?

If your activities require more customized invitations, we recommend utilizing individual Easter design elements in your creations. After downloading the logo files, you may create other color versions as needed from the available initiative colors.

WHERE CAN I ACCESS MATERIALS?

Please access the templates and additional assets here:
