

Instructions for Curriculum 2022

This document lists Church curriculum materials to be used in 2022. For most languages, these materials are available digitally in the Gospel Library app and at ComeFollowMe.ChurchofJesusChrist.org. Materials in audio format, in braille, and in large print are available at store.ChurchofJesusChrist.org. New items for 2022 are noted.

Note: Beginning in 2023, print copies of *Come, Follow Me—For Individuals and Families* will no longer be sent to units free of charge. Units and members will be able to order copies at store.ChurchofJesusChrist.org.

CHURCH MAGAZINES	<p><i>Liahona, For the Strength of Youth, Friend</i></p> <p>The First Presidency desires every member to have access to Church magazines. Units can pay for print copies of the magazines for:</p> <ul style="list-style-type: none"> • Newly baptized members (a one-year subscription). • Youth and children who attend church without a parent or guardian. <p>Members and unit leaders can order print magazines at store.ChurchofJesusChrist.org.</p>

**INSTRUCTIONS
FOR UNIT ANNUAL
CURRICULUM ORDER**

For 2022, bishops and branch presidents will receive print copies of *Come, Follow Me—For Individuals and Families* to distribute to members in their units. They will receive one copy for each active household in the unit. Local units will not be charged for these copies. However, units will need to order and pay for print copies of manuals used in Primary, Sunday School, and Aaronic Priesthood and Young Women.

You may order unit materials beginning June 30, 2021. **Please place your order no later than August 31, 2021.** Materials ordered after this date may not be delivered by January 1, 2022. To order print materials, visit store.ChurchofJesusChrist.org, select **Units and Callings**, and then select **Annual Curriculum**.

Consider the following questions to help you avoid ordering more printed copies than needed:

- How many printed copies of each item does your unit already have available?
- How many teachers use digital versions of materials rather than printed copies?
