

FAITH

Simply, with rhythm

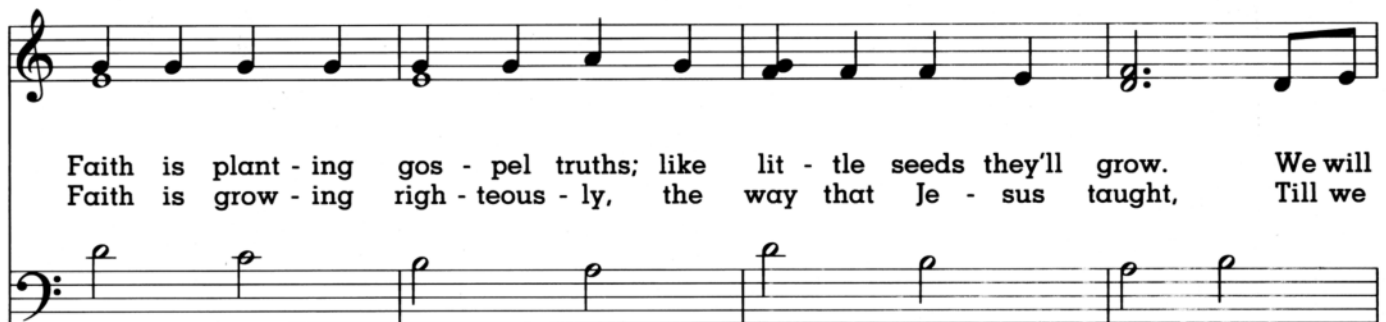

Words and music by Susan L. Purves

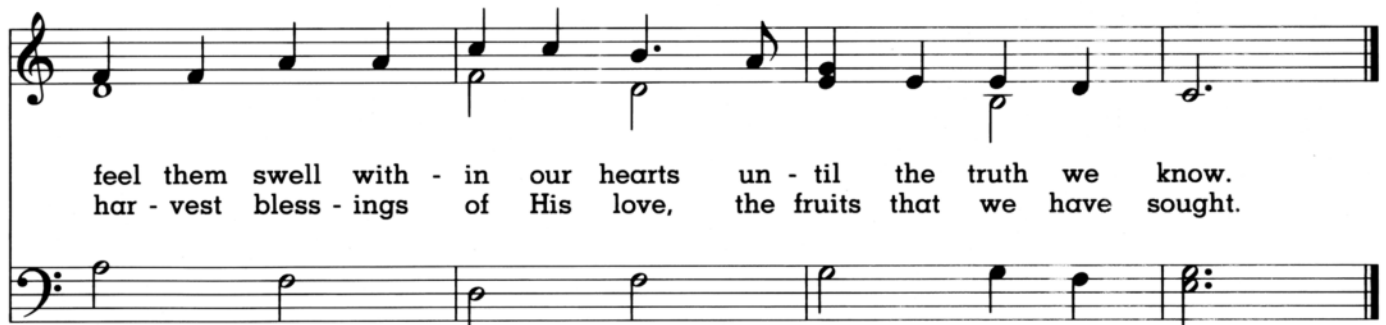

1. When a lit - tle seed is plant - ed and giv - en ten - der care, It will
2. When a lit - tle tree is grow - ing, it still needs pa - tient care While its

sprout and grow and flour - ish in - to a plant so fair.
branch-es stretch and blos - som with fruit for us to share.

Faith is plant - ing gos - pel truths; like lit - tle seeds they'll grow. We will
Faith is grow - ing righ - teous - ly, the way that Je - sus taught, Till we

feel them swell with - in our hearts un - til the truth we know.
har - vest bless - ings of His love, the fruits that we have sought.
