For the Beauty of the Earth

1. Thank the earth for her beauty
   Thank the sky for its brightness,
   Thank the seasons for their wonders,
   Thank the night for its glow.

2. Thank the family for their love
   Thank the friends for their company,
   Thank the mountains for their beauty,
   Thank the stars for their light.

3. Thank the Lord for his mercy
   Thank the Lord for his grace,
   Thank the Lord for his kindness,
   Thank the Lord for his love.
