For the Beauty of the Earth

**Joyfully** $\frac{\text{d}}{\text{d}} = 88–116$

1. For the beauty of the earth, For the beauty of the skies, For the love which from our birth Over and around us lies,

2. For the beauty of each hour Of the day and of the night, Hill and vale, and tree and flow'r, Sun and moon, and stars of light,

3. For the joy of human love, Brother, sister, parent, child, Friends on earth, and friendsabove, For all gentle thoughts and mild,

For the love which from our birth Over and around us lies, Hill and vale, and tree and flow'r, Sun and moon, and stars of light,

Lord of all, to thee we raise This our hymn of grateful praise.

---
