Go Forth with Faith

Energetically \( \text{d} = 92–112 \)

1. Go forth with faith to tell the world Of Jesus Christ, the Lord.
2. Go forth with love to tell the world The joy of families—
3. Go forth with pow’r to tell the world The gospel is restored,

Bear witness he is God’s own Son; Proclaim his wondrous word.
That we may be with those we love Thru all eternity.
That all may gain eternal life Thru Jesus Christ, the Lord.

Go forth with hope and courage strong To spread the word abroad
Go forth to serve and do your best With no thought of reward;
Go forth to preach his glorious truths Of peace, of joy, and love,

That people of all nations Are children of our God.
Then you shall know the boundless joy Of serving Christ, the Lord.
That all who heed his holy word May praise the Lord above.
