If You Could Hie to Kolob

1. If you could hie to Kolob In the twinkle of an eye,
   And then continue onward With that same speed to fly,
   Find out the generation Where Gods began to be?

2. Or see the grand beginning, Where space did not extend?
   Or view the last creation, Where Gods and matter end?
   Nor seen the outside curtains, Where nothing has a place.

3. The works of God continue, And worlds and lives abound;
   Improvement and progression Have one eternal round.
   There is no end to spirit; There is no end to space;

   With contemplation  \( \frac{d}{t} = 80-92 \)

   Do you think that you could ever, Through all eternity,
   Me-thinks the spirit whispers, ‘No man has found pure space,’
   There is no end to creation Where Gods began to be?

   If you could hie to Kolob In the twinkle of an eye,
   And then continue onward With that same speed to fly,
   Find out the generation Where Gods began to be?

4. There is no end to virtue;
   There is no end to might;
   There is no end to wisdom;
   There is no end to light.
   There is no end to union;
   There is no end to youth;
   There is no end to priesthood;
   There is no end to truth.

5. There is no end to glory;
   There is no end to love;
   There is no end to being;
   There is no death above.
   There is no end to glory;
   There is no end to love;
   There is no end to being;
   There is no death above.
