Holy Temples on Mount Zion

1. Holy temples on Mount Zion In a lofty splendor shine,
   While the celestial chimes, In a solemn cadence ring.

2. Merciful and gracious Father, Puri fy our hearts, we pray;
   valleys to exaltation, Symbols of a love divine.

3. Sing aloud, ye heavenly chorus, Anthems of eternal praise;
   blest with immortal rapture, In the days of our redemption.

4. Valiant children of the promise, Pledged to sacred service there.
   And their kindly portals beckon To serenity and prayer.

5. In celestial bonds of union, Sing hosannas unto thee.
   Let the mountains shout for gladness, And the valleys joyful be,

6. While the stars acclaim in rapture, For the prisoners shall go free.
