[Music notation]

Darkness covered the earth. People were looking for truth,
Shining bright as the sun — Heavenly rays of love.

But it was taken away so long ago.
— Started drowning out the darkness.
God was preparing their hearts
And everything that was lost.

So He could light up the dark, 'Cause it was time for a new beginning.
Was given back to us — In a spiritual restoration.
There was a boy who needed answers,
God showed us we were not forgotten,

One that was chosen by God,
And He provided a way.

So, he went and found a place to pray,
cause a boy knelt to pray,
And when he prayed,
A pillar of light rested on him.

The windows of heaven were opened again.
They called him by name. Chosen by God.

he was part of a bigger plan. It all began with a pillar of light.

1. God the Father and the Son appeared
To place a little piece of heaven here.

They showed their perfect love for us.

With a pillar of light.

A pillar of light.
