hear Your voice. _____

Your Voice

Mists of darkness all around me
Been so long since I have seen the sun.
Filthy waters try to drown me;
I'll never make it on my own.

So my knees hit the floor, only half of a whole.
'Cause I need something bigger than me.
And the tears that I cry, rising up to the sky,
Bring the hope and relief that I need.

*When I hear Your voice
It's like You come and part the waters.
Lead me through the darkness.
When I hear Your voice,
Everything is so much clearer.
Made it through the winter,
And I know
That Your love will lead me home
When I hear Your voice.
When I hear Your voice.*

Flowing down like revelation,
Bringing peace into my soul.
The words You whisper in the darkness
Show a love I've never known.

So my knees hit the floor, only half of a whole.
'Cause I need something bigger than me.
And the tears that I cry, rising up to the sky,
Bring the hope and relief that I need.

*When I hear Your voice
It's like You come and part the waters.
Lead me through the darkness.
When I hear Your voice,
Everything is so much clearer.
Made it through the winter,
And I know
That Your love will lead me home
When I hear Your voice.
When I hear Your voice.*

I hear You, You save me.
I follow, You change me.
You make me like I need to be.
You tell me Your secrets.
You love me, I feel it.
I know I will always believe.

I hear You, You save me.
I follow, You change me.
You make me like I need to be.
You tell me Your secrets.
You love me, I feel it.
I know I will always believe.

*When I hear Your voice
It's like You come and part the waters.
Lead me through the darkness.
When I hear Your voice
Everything is so much clearer.
Made it through the winter,
And I know
That Your love will lead me home.
When I hear Your voice.
When I hear Your voice.
When I hear Your voice.
When I hear Your voice.*
