Come to the Well

Words and Music by Nik Day

There's nothing greater, Nothing deeper, Nothing sweeter than His love. It's all consuming, All around us. It doesn't matter Who you are. He is the fountain of life, 

The well that never runs dry. Come fill your heart ache,

Come fill your soul,
Come fill your pitcher, And He'll make you whole.

When you feel broken,
You don't have to heal by yourself:
Come to the well.

Come to the well.

Like a river swiftly flowing, His love

21

24
comes to Those in need. So lift your head up, The Savior's

_ waiting_ For you to show Him You believe. Oh._

Come fill your heart-ache, Come fill your soul, _ Come fill your pitcher, And He'll

_make you whole._ When you feel broken, You don't have to heal _ by your-self.
Come to the well.

(2nd time only)

Come to the well.

Come to the well._

Come to the well._

Ooh.________

Ooh.________
Come to the Well

There's nothing greater,
Nothing deeper,
Nothing sweeter than His love.
It's all consuming,
All around us.
It doesn't matter
Who you are.

Pre-chorus:
He is the fountain of life,
The well that never runs dry.

Come fill your heartache,
Come fill your soul,
Come fill your pitcher,
And He'll make you whole.
When you feel broken,
You don't have to heal by
yourself.
Come to the well,
Come to the well.

Like a river
Swiftly flowing,
His love comes to
Those in need.
So lift your head up,
The Savior's waiting
For you to show Him
You believe.
Oh.

Come fill your heartache,
Come fill your soul,
Come fill your pitcher,
And He'll make you whole.
When you feel broken,
You don't have to heal by
yourself.
Come to the well,
Come to the well.

Come fill your heartache,
Come fill your soul,
Come fill your pitcher,
And He'll make you whole.
When you feel broken,
You don't have to heal by
yourself.
Come to the well,
Come to the well.

Come fill your heartache,
Come fill your soul,
Come fill your pitcher,
And He'll make you whole.
When you feel broken,
You don't have to heal by
yourself.
Come to the well,
Come to the well.
Come to the well.
Come to the well.

Ooh. Ohh.
